MINDS on the EDGE

Facing Mental Illness

“Mental Health Matters”

The East End Mental Health Awareness Initiative in collaboration with League of Women Voters of the Hamptons will present a screening and discussion of the eye-opening public television program

MINDS ON THE EDGE: Facing Mental Illness

Watch this riveting roundtable of mental health experts, role-playing and sharing various aspects and perspectives of our mental health system.

FOLLOWED BY DISCUSSION WITH LOCAL EXPERTS:

Paul Garson M.D., Director of Mental Health Services, Stony Brook Southampton Hospital, and psychiatrist with Meeting House Lane Medical Practice in Southampton;

Martha A. Carlin, Psy.D., Director, LI Field Office of the NY State Office of Mental Health;

Jenine Yannucciello, LCSW, Director of Adult Services, Suffolk County Dept. of Mental Health

Christian Racine, Ph.D., Senior Director, Family Service League Mental Health Clinics

Monday, November 19, 2018 at 6pm

**Stony Brook Southampton Hospital's Parrish Memorial Hall
235 Herrick Road, Southampton**

*Let's Talk About Improving
Community Mental Health Treatment*

This FREE program is sponsored by the

Town of Southampton, Town of East Hampton and League of Women Voters of the Hamptons
